

Trademark and Patent

Lyons Law Group's trademark and patent attorneys guide Florida innovators, entrepreneurs, and corporations through every step of registering, managing, and enforcing intellectual property rights.

With deep expertise in Florida state statutes, USPTO procedures, and local court practices, we help clients safeguard distinctive trademarks—from logos and slogans to product names—and secure patents for inventions, designs, and processes that fuel market growth.

Our team conducts comprehensive trademark and prior-art searches, drafts precise applications, navigates office actions, and handles renewals and maintenance filings.

Why Choose Lyons Law Group?

When IP disputes arise—whether cease-and-desist demands, opposition proceedings before the Trademark Trial and Appeal Board, or patent-infringement litigation—our litigators act decisively. We negotiate licensing and coexistence agreements, enforce your rights against knockoffs, and defend against invalidity challenges in state and federal courts. By building strategic IP portfolios and offering proactive counsel, Lyons Litigation delivers the confidence and clarity you need to protect your competitive edge across Florida and beyond.
